

Quick Step Application Guide for Internal Applicants

Logging Into PeopleSoft

1.	Enter your user id into the User ID field. If you do not know your User ID contact your agency HR department for assistance. Press [Tab].
2.	Enter your password into the Password field.
3.	Click the Sign In button.
4.	Congratulations, you have successfully logged into PeopleSoft! You may be prompted to change your password.

View Job Postings/Apply for Job Vacancies

1.	Click the Employee Self Service link.
2.	Click the Employee Home link.
3.	Click the Recruiting Activities Home Recruiting Activities Home link.
4.	Click the View Job Postings link.
5.	Select the desired category/categories to search for open job postings; location, keyword, and other fields to define your search. Note: The best method for finding postings of interest is to select job categories and click the search button. This will allow you to view every posting in the category. Adding search criteria such as locations, keywords, and other Miscellaneous criteria will narrow the results of your search. Click the Search button.
6.	Click the Posting Title link to view the job posting details.
7.	If the posting is of interest and you'd like to add it to your job basket, click the Add Job to Basket button. To view additional postings, click the Return to Job Postings Return to Job Postings link to return to the search results.
8.	When finished adding jobs to your job basket, click the Apply for Jobs in Basket button to complete the online application/resume.
9.	Page 1 provides an opportunity to paste resume text for the recruiter/hiring manager to view. The online resume/application contains circles (bubbles) at the top of each page for easy reference. The circle will turn gray when completed. The current page will be noted by a yellow/gold outline. Note that the application is thirteen (13) web pages. Applicants may submit their application without providing a resume. This option is the selected default. Note: If you paste a resume you must still complete the application process. Click the Next button.
10.	Page 2 allows the user to change their personal information such as address, telephone, and Social Security Number (SSN). An employee's name, address, telephone, and e-mail information will be completed, pulling from the personnel record.
	Make any necessary changes to the application, such as the e-mail type. Click the when finished.
